1.

WHAT IS BLEPHASOL & ITS BENEFITS

BLEPHASOL is a **micellar lotion** for daily cleansing of the eyelids. This lotion is suitable for all skin types.

BLEPHASOL is specifically formulated to:

- Remove dirt, tears, dried secretions and make-up from the eyelids and base of the eyelashes.
- Cleanse without irritating the eye or skin.

BLEPHASOL has been tested under ophthalmological control and has demonstrated good tolerance.

BLEPHASOL is gentle for the eye and eyelid area.

BLEPHASOL is part of Théa's **BLEPHA** range, a range 100% dedicated to eyelid care for the well-being of your eyelids and maintaining good eye health.

Ingredients:

AQUA, PEG-8, POLYSORBATE 20, CAPRYLOYL GLYCINE, POLOXAMER 184, PEG-6 CAPRYLIC/CAPRIC GLYCERIDES, DIPOTASSIUM PHOSPHATE, SODIUM HYDROXIDE, POTASSIUM PHOSPHATE.

2.

WHO CAN USE BLEPHASOL

BLEPHASOL is suitable for all skin types.

BLEPHASOL is suitable for contact lens wearers.

3.

HOW TO USE BLEPHASOL

Apply **BLEPHASOL** twice daily, morning and evening, or whenever you choose to cleanse your eyelids.

To cleanse and remove make-up from your eyelids:

In front of a mirror:

Step 1: Add a small amount of **BLEPHASOL** lotion to a cotton pad and then carefully apply the pad to the eyelids and the base of the eyelashes, keeping your eye closed.

Laboratoires Théa
12, rue Louis Blériot, 63100 Clermont-Ferrand, France

N1170L100L24/0923

Step 2: Gently massage the eyelids with small circular movements to remove all debris, dirt, make-up and clear the contents of the tear glands.

Step 3: Lightly stretch the eyelids, then gently rub the inner edge of the eyelids with a clean absorbent pad or cotton bud wetted with **BLEPHASOL** to remove any dirt or make-up lodged at the base of the eyelashes.

Step 4: Repeat each step for the other eye, using a clean absorbent pad.

BLEPHASOL is non-greasy, non-sticky and does not need to be rinsed after use.
Do not swallow. Do not apply directly into the eyes.

4. HOW TO STORE BLEPHASOL

Keep out of the sight and reach of children.
Use within 3 months after first opening.
Do not store above 25°C.
